Dear Mr Notley-Smith

Thank you for your letter dated 18 August 2017 requesting a submission outlining the Department's response to the Auditor-General's report on red tape reduction (the Report).

In response to the Report, the NSW Government established an independent panel to consider a number of the Report's recommendations and review the regulatory framework in place in NSW. The panel, chaired by the Hon Nick Greiner AC, handed down its final report on 25 August 2017 (the Greiner Review).

I have attached to this email a copy of the Department's submission to the Public Accounts Committee.

I trust that this information is of assistance to the Committee. If you have any further queries in relation to this response, please contact Dr Kar Mei Tang, Director Treasury and Finance at karmei.tang@dpc.nsw.gov.au, or on 02 9228 3983.

Yours sincerely

Blair Comley PSM
