SUSTAINABILITY OF ENERGY SUPPLY AND RESOURCES IN NSW

Name: Ms Gillian Sain

Date Received: 6 August 2019

I support the Hunter Renewal Roadmap and its demands for:

- A community-driven process that builds on the Hunter region's strengths and has strong local participation embedded in the process.

- New well-paid and secure jobs for workers affected by mining downturns.

- A \$2 billion fund dedicated to coal mining regions to help us plan and prepare.

- A Hunter Diversification Taskforce led by locals from the community, unions and business to coordinate planning.

- A Hunter Regional Diversification Plan building on our strengths and bringing development of industry, labour-intensive projects and education, training and technology hubs.

- Better laws for rehabilitation of mines and power stations, boosting the jobs available now and into the future.

- More money invested into RENEWABLE ENERGY, solar, wind and water. Insist on solar panels for every NEW or re-roofed house or building.

Thanking you

Yours sincerely,

Gillian Sain
