## **ADMINISTRATION OF THE 2019 NSW STATE ELECTION**

**Name:** Mrs Francesca Osborn

**Date Received:** 16 September 2019

I registered with iVote weeks before leaving to go overseas as I was not going to be in Australia to vote in the State Election in March. When I tried to vote online from overseas, the process was continually failing and I was unable to place my vote, despite numerous attempts and hours of frustration. My travelling companions also experienced the same breakdown of the iVote system.
