Dear Committee Secretary,

**RE: SUBMISSION TO THE JOINT STANDING COMMITTEE ON ELECTORAL MATTERS**  
***Inquiry into and report on the administration of the 2019 NSW State Election***

I am writing on behalf of the National Party of Australia – NSW to seek an addendum to our submission to the Joint Standing Committee on Electoral Matters Inquiry into and report on the administration of the 2019 NSW State Election, submitted on the 9<sup>th</sup> October 2019.

The matter pertains to information contained within the second paragraph on page 12 of our submission entitled '15. GEOGRAPHICAL SIZES OF LEGISLATIVE ASSEMBLY ELECTORATES', where it states;

*'...the electorate of North Shore has five public schools, one SES station, one public hospital and a couple of hundred kilometres of road...'*

Supplementary information has recently come to our attention and therefore we wish the aforementioned statement for the consideration of the Committee to read;

*'...the electorate of North Shore has nine public schools, two SES stations, no public hospitals and a couple of hundred kilometres of road...'*

We would be most grateful if this additional information could be brought to the attention of Members of the Committee during their deliberations.

Yours sincerely,

**BRAD VERMEER**  
Operations Director
