## **ASSAULTS ON MEMBERS OF THE NSW POLICE FORCE**

**Name:** Mrs Dorelle Purcell

**Date Received:** 25 August 2020

We should not have to partake in a submission to protect our a Police Officers. This should be a given in our society and politicians and the judiciary need to take action that reflects the expectations of the wider community. A conservative NSW government would not force the need for our submissions and please for the safety of Police.
