**ANTI-DISCRIMINATION AMENDMENT (RELIGIOUS FREEDOMS AND
EQUALITY) BILL 2020**

Religious freedoms essential to democracy

Dear sir/madam

I wish to support Mark Latham's bill to ensure religious expression for all Australians. We are all different. Allow the expression of religious faith to be Open and vibrant. Let all faiths celebrate and add to our meaning of life so necessary for our youth who are suffering depression and loss of hope.

Please do the right thing.

Regards

Clare Dwyer
