**ANTI-DISCRIMINATION AMENDMENT (RELIGIOUS FREEDOMS AND  
EQUALITY) BILL 2020**

**Name:** Les Kelly

**I support Mark Latham's Bill of religious freedom.....**

Dear Committee Chair,

As this bill will make it unlawful for an employer or other qualifying body or educational authority to prohibit or prevent people from engaging in a protected activity, or to punish or sanction them for doing so for personal religious reasons; I ask all parliamentarians to support this bill.

Professional people should not be forced to abandon their faith, in the conduct of their duties.

I humbly call on the parliament to pass the bill to ensure religious freedom is protected.

Thank You,

Les Kelly,
