**ANTI-DISCRIMINATION AMENDMENT (RELIGIOUS FREEDOMS AND
EQUALITY) BILL 2020**

I am upset how in a country founded on christian principles, how christian are discriminated. Muslim can have 400 in a service, but we are limited to 100. And the are scared to even open for worship. In my training for sta busses. We were warned speaking about you faith could result in the sack. It is terrible, how quoting the Bible, resulted in a rugby player losing his job. Thanks David Saar
