**ANTI-DISCRIMINATION AMENDMENT (RELIGIOUS FREEDOMS AND
EQUALITY) BILL 2020**

Name: Richard Harvie

Date Received: 19 August 2020

Christians should NOT be able to publish homophobic rants under the pretence of practising their "faith",

Christians claim to follow Jesus Christ who gave the commandment to never "judge" others (Matthew 7:1). Any Christian who relishes seeing "sin" in others is obviously ignoring Christ's teachings and should stop pretending they are Christian.

They should not be free to spread their embalmed prejudice .

Regards

Richard Harvie.
