## **COERCIVE CONTROL IN DOMESTIC RELATIONSHIPS**

**Name:** Mr Wayne Guy

**Date Received:** 28 January 2021

I believe when you look at the stats, like I have, when in Australia men are domestic violence victims, it's mostly at the hands of a woman. It's not just men who are d.v crooks , some women can be d.v crooks aswell, and some men can be domestic violence victims aswell, at the hands of a violent woman.
