## **SPEED LIMITS AND ROAD SAFETY IN REGIONAL NSW**

**Name:** Mrs Lesley Lane

**Date Received:** 15 June 2022

For many years we have been lobbying for a reduction of the speed limit on Pindimar Rd, Pindimar from 100km to 90km or preferably 80km.

Reasons.

- \* Road pavement is too narrow, vehicles must move over to broken edges when large trucks/school bus/poo truck pass.

- \* No centre line on crests and switch backs. Vehicles tend to move to the centre to compensate for narrow pavement.

- \* There have been two deaths and numerous single car roll overs and accidents.

Also Clarke, Warri and Bundabah roads are as dangerous, 80km is too fast again 70km or 60km would be the go.
