

**Submission  
No 10**

**MINERALS LEGISLATION AMENDMENT (OFFSHORE DRILLING AND  
ASSOCIATED INFRASTRUCTURE PROHIBITION) BILL 2023**

**Name:** Mr Felix Williamson

**Date Received:** 29 August 2023

My submission is regarding the Pep 11 Bill. I think any future gas and oil exploration is not in the public interest or that of the climate and planet. If Pep 11 is passed it would be a huge blight on the landscape, a negative for tourism and a potential environmental threat, not to mention a backward step in our endeavours to decarbonise our country and the world. This bill should be thrown out.
