**CRITICAL TRANSPORT INFRASTRUCTURE SUPPORTING THE WESTERN
SYDNEY INTERNATIONAL AIRPORT AND WESTERN SYDNEY
AEROTROPOLIS**

Name: Mr Joshua Tirado

Date Received: 4 February 2024

Dear Committees overlooking this submission, I a citizen that uses only Public Transport (PT), I implore you to plan the future design of PT in and around WS Aerotropolis, consider PT options like, some horizontal and vertical BRT lines and radial Tram lines would be good for the developing area, and when it come to bicycle infrastructure look in to Dutch Cycling Embassy. Thank you reading, Josh Tirado.
