COMMUNITY SAFETY IN REGIONAL AND RURAL COMMUNITIES

Name: Mr Daniel Norris

Date Received: 23 March 2024

Lived on farm here for 24yrs,and lately I have noticed a few random acts of drone use over private lands and homes in the area..I know of one company that employes the use of drones being transfixed,however the odd times of the evenings even at night a person opersons are scouting farms in the area...its working

Regards dan
