## **COMMUNITY SAFETY IN REGIONAL AND RURAL COMMUNITIES**

**Name:** Mr Jason Bush

**Date Received:** 26 March 2024

Why is there so much serious crime in Gunnedah where I live not reported. Constantly serious crime is happening but never heard about it in the media . It is my opinion that the crime has been covered up to reduce crime statistics.

Recent there has been home invasion. Elderly people have been serious hurt . Home invasions with knife's machetes. But nothing from the police media.

Very annoying and frustrating. This really needs to be looked at urgently.

Please call for more details

Jason
