COMMUNITY SAFETY IN REGIONAL AND RURAL COMMUNITIES

Name: Mrs Janell Wheelock

Date Received: 20 April 2024

I am gravely concerned about poor driving in our Hastings Area. Speed, breaking rules of the road, aggressive attitudes. Just please do something to curb these three behaviours. Teens and tradies acting out or in a hurry. Please budget for higher police visibility and for mandatory education for all L and P players. The money they lose by the above actions (deductibles, time away from work, etc). The physical harm done to others including wildlife. Speakers who now live in a wheelchair due to car collisions. A day observing a trauma unit in a hospital. Not just films depicting these situations. During the years on restricted plates have mandatory classes. Don't attend...lost licence for a month or two. These years are available to set in stone a new mindset for young drivers. Be brave and make changes during these years to save lives in the future. What is
