**THE IMPLEMENTATION OF PORTFOLIO COMMITTEE No. 2
RECOMMENDATIONS RELATING TO THE DELIVERY OF SPECIFIC HEALTH
SERVICES AND SPECIALIST CARE IN REMOTE, RURAL AND REGIONAL NSW**

Organisation: Culcairn LHAC

Date Received: 11 April 2024

The Culcairn LHAC would like the committee to consider the following matters:

1. The lack of transferability of patient details between the NSW and Victorian health systems (if a patient is transferred from Culcairn to Albury, separate paperwork is required due to cross boarder movement)

2, Greater use of the Culcairn MPS by Albury Wodonga Health

3, Increased staffing to enable vacant aged care beds to be utilised at the Culcairn MPS. Since the opening of the new MPS facility the additional aged care beds have sat vacant for approximately 3 years.

Thankyou for taking the time to consider the above.
