Name: Mr Shannon Radcliffe

Date Received: 24 May 2024

Hi not telling you how to do your job , but in my appinion most of the criminals in Australia that are doing all of the crimes are people who the government have brought in from other countries 😏 the government toke the rights away from good parenting

So I believe that every taxpayer should not foot the bill for these scum bags what needs to be put in place is one STRICK POLICY AND YOU ARE SENT STAIGHT BACK TO YOUR COUNTRY YOU CAME FROM I'd love to see how much the crim rates will fall a tougher stance needs to be done
