**IMPACTS OF THE WATER AMENDMENT (RESTORING OUR RIVERS) ACT
2023 ON NSW REGIONAL COMMUNITIES**

Name: Mrs Edna Penning

Date Received: 24 February 2025

Water is our life blood , living in a very dry environment if there is no water our area would be semi arid. We would have no farming and what we produce would dry up.

Water should never have been sold ,no one should be able to buy or sell for monetary gains.
Stop all buy backs now.
