**THE SAFETY AND QUALITY OF HEALTH SERVICES PROVIDED BY NORTHERN
BEACHES HOSPITAL**

Name: Mr Alastair Turnbull

Date Received: 27 March 2025

I was admitted to Northern Beaches Hospital approx. 18 months ago with a blockage of the oesophagus through the Emergency Department. I only stayed overnight after receiving a Gastroscopy but I have nothing but praise for the way I was treated by the staff. It would seem that it is in the management area that problems arise from time to time. The hospital should have been opened as a Public Hospital from the start not a joint Public/Private concern.
