**THE SAFETY AND QUALITY OF HEALTH SERVICES PROVIDED BY NORTHERN  
BEACHES HOSPITAL**

**Name:** Mrs Jacqueline Bishop

**Date Received:** 11 April 2025

I have had a number of encounters with nbh, most of have not been complementary, some including one myself to be horrible!!!!

I just want my family, friends and myself to feel safe and able to get proper care that is not like a third world country ( where to be honest could possibly be better) the staff can only do what they can do under the circumstances
