**THE SAFETY AND QUALITY OF HEALTH SERVICES PROVIDED BY NORTHERN
BEACHES HOSPITAL**

Name: Robert Bellini

Date Received: 12 April 2025

3 days Inmate in hospital around 12 months after it opened.

Private room ... neither room nor bathroom had been cleaned. Bathroom cleaned day 2 after lunch.

Food rubbish.

Nurses came twice ... took digital readings on devices, but neglected to check or change dressing on wound for entire duration ... did inspect it at all.

Checking out ... no one came near me ... I packed up and walked out myself.

Not impressed at all.
