**HEALTH SERVICES AMENDMENT (SPLITTING OF THE HUNTER NEW  
ENGLAND HEALTH DISTRICT) BILL 2025**

**Name:** Mrs Margaret Chamberlain

**Date Received:** 17 April 2025

I just feel it is far too big as a health division.

Smaller and more remote rural areas and regional areas, miss out an awful lot.

If you have smaller divisions, everyone is represented more appropriately, and not just the much bigger towns.

I can see that too big doesn't work.

I am on a Community Health Committee.
