**THE SAFETY AND QUALITY OF HEALTH SERVICES PROVIDED BY NORTHERN
BEACHES HOSPITAL**

Name: Mrs Marian Gill

Date Received: 18 April 2025

I have been admitted to Northern Beaches Hospital on numerous occasions, from attending the Emergency Department to having planned surgical admissions. I have nothing but praise for the attention and care I have received from the doctors and nurses. I have had experience in other hospitals such as RNSH, Manly and Hornsby hospitals both for myself and my children and have had bad experiences there at times.

I realise that problems do arise occasionally but consider NBH to be a most safe and caring hospital and most probably one of the best hospitals in NSW.

Many residents on the beaches in this area were not happy with the decision to close both Manly and Mona Vale hospitals and have determined to criticise NBH ever since it opened. I consider this to be most unfair. We are indeed most fortunate to have such an excellent hospital in our midst.
