**THE SAFETY AND QUALITY OF HEALTH SERVICES PROVIDED BY NORTHERN
BEACHES HOSPITAL**

Name: Dr Patrick Morrissey

Date Received: 9 May 2025

I consider there is a potential conflict of interest when a private organisation, seeking profits, tries to manage a public hospital. I opposed the closing down of Manly and Mona Vales hospitals and the establishment of this Public Private Partnership (PPP) when it was first proposed. The conflict with staff and the tragic deaths that have occurred since it opened confirm it was a mistake.

The Northern Beaches community should have a public hospital not a PPP.
