**THE SAFETY AND QUALITY OF HEALTH SERVICES PROVIDED BY NORTHERN
BEACHES HOSPITAL**

Name: Mr Jamie Harrison

Date Received: 12 May 2025

Both my wife and I have had a few visits through emergency and non emergency and have nothing but praise for the whole group, doctors, nurses, people who do meals.

Sometimes events occur which some people are concerned with but we are all humans and errors do occur as with any situation in the community .

People don't go to work with the intention to make mistakes but they occur nonetheless

So all these factors should be taken into account.
