**THE SAFETY AND QUALITY OF HEALTH SERVICES PROVIDED BY NORTHERN
BEACHES HOSPITAL**

Name: Mr Joe Simundza

Date Received: 15 May 2025

I had a prostate biopsy in this hospital under private and I was treated like a number. They stuck a bandage after the biopsy and didn't bother shaving me down there. So when I had to take it off it was the most painful thing I ever went through. When I told the surgeon he laughed and said that's the only way they do it. It's all a numbers game and how many people can be pushed in and out as quickly as possible. I refuse to go here and I'd rather travel to RNSH atleast I know I'll be taken care of humanly.
