**HEALTH SERVICES AMENDMENT (SPLITTING OF THE MURRUMBIDGEE  
LOCAL HEALTH DISTRICT) BILL 2025**

**Name:** Mrs Helen Ryan

**Date Received:** 30 October 2025

I am vehemently opposed to the splitting of MLHD to create a separate WHLD. I support retention of the existing MLHD and maximisation of available funds to deliver health outcomes, rather than duplication of administrative and governance activities (especially within 200km). Splitting the MLHD would further limit the availability of health professionals and limit opportunities to share those services.
