LEGISLATIVE COUNCIL

NOTICE OF MOTION

The Hon Penny Sharpe says –

Mr PRESIDENT:

I give notice that on the next sitting day I will move:

That Portfolio Committee No 6 – Planning and Environment inquire and report on matters relating to the waste disposal industry in NSW, with particular reference to 'energy from waste' technology, including:

- (a) Review of the current provision of waste disposal and recycling in NSW, regarding its capacity (considering issues of location, scale, technology and environmental health) to address the ongoing disposal needs for commercial, industrial, household and hazardous waste in NSW;
- (b) Assess the role of 'energy from waste' technology in addressing waste disposal needs, and the resulting impact on the future of the recycling industry in NSW;
- (c) Compare and evaluate current NSW regulatory standards for 'energy from waste' technology, with reference to regulations covering (i) European Union, (ii) USA and (iii) international best practice;
- (d) Consider if there are additional factors which need to be taken into account within regulatory and other processes for approval and operation of 'energy from waste' plants including waste levies;
- (e) Examine the responsibility given to state and local government authorities in the environmental monitoring of 'energy from waste' facilities;
- (f) Examine opportunities to incorporate future advances in technology into any operating 'energy from waste' facility;

(g) Examine the risks of future monopolisation in markets for waste disposal in NSW and the potential to enable a 'circular economy' model for the waste disposal industry in NSW;

(h) Any other related matter.

That the committee report by 30 June 2017.

Signed:

Penny Sharpe MLC

LEGISLATIVE COUNCIL

NOTICE OF MOTION

Mrs Maclaren-Jones says—

Mr PRESIDENT:

I give notice that on the next sitting day I will move:

1. That this House notes that:
 - (a) on Wednesday 8 March 2017, the 'A Fit Place for Women: NSW Parliament' exhibition officially opened in the Fountain Court of the Parliament of New South Wales,
 - (b) the exhibition celebrates the historic and contemporary female trailblazers of our parliament and the reform driven by women,
 - (c) in 1925 Millicent Preston Stanley became the first ^{female} woman parliamentarian in New South Wales and since then more than 120 women have entered the Parliament
 - (d) important items from the archives and collections of the Parliament are featured in the exhibition, many of which have never previously been on display to the public,
 - (e) the exhibition showcases the stories of the NSW Womanhood Suffrage League and the campaign for the vote and the stories of groups such as the Commonwealth Women Parliamentarians Association, working to encourage future women into Australian, and
 - (f) this is the first time the Parliament has mounted such an exhibition and welcomes this initiative.
2. That this House notes that on 31 March 2017, the NSW Parliament will hold an historic re-enactment of Millicent Preston Stanley's first motion on the rights of mothers to retain custody of their infant children.
3. That this House notes the establishment of the ~~Prestley~~ Stanley room to honour the achievements and firsts by women in NSW Parliament.

4. That this House:

- (a) congratulates all the Parliament House staff responsible for curating and mounting the exhibition, particularly Ms Julie Langsworth, Deputy Executive Manager and Director of the People and Engagement Branch, Ms Samantha Brown, Manager Public Relations, The Parliamentary Education Team, Office of the Black Rod, Legislative Council Procedure Office and Committee Office, Legislative Assembly Clerks Office and the Legislative Assembly Procedure Office, and
- (b) thanks Maddock for their sponsorship of the exhibition.

Signed Natasha Maddock

LEGISLATIVE COUNCIL

NOTICE OF MOTION

The Honorable Daniel Mookhey MLC says -

Mister President:

I give notice that on the next sitting day I will move that this House notes that:

1. The unelected administrator of the Central Coast Council is currently conducting a tender for waste-collection services for up-to 250,000 residences on the Central Coast without guaranteeing the existing pay and conditions, or job security, for 100 waste-workers;
 - a) Should the unelected Administrator complete the tender without guaranteeing the existing pay and conditions, and job security, 100 waste-workers stand to lose either their job, or up to \$300-400 per week from their wages;
 - b) Other unelected Administrators in other forcibly merged Councils have completed tenders for waste services while guaranteeing the existing pay, conditions and tenure of existing workforces.
2. That this House supports the principle that major tendering decisions, especially affecting the pay and conditions of workers, should be made by democratically elected councils.
3. Should the the Central Coast waste-tender proceed prior to democratic election, This House calls on Local Government Minister The Hon Gabrielle Upton MP to intervene and guarantee that no worker will be left worse of because of the decision of the un-elected Administrator.
