### NOTICE OF MOTION

Mr Shoebridge says—

Mr PRESIDENT:

I give notice that on the next sitting day I will move:

1. That this House notes:
  - a. The Institute of Public Affairs has made a public submission complaining that a progressive tax system “discriminates against Australians by income, other forms of discrimination, such as by skin colour, race, or ethnicity, are rightly abhorred, yet the income tax system openly discriminates against people by income.”
  - b. Reports are that this discrimination extends so far in Australia that the super wealthy cannot even wipe away their tears at night because of the government’s use of non-absorbent polymer bank notes;
2. That this House acknowledges:
  - a. That making rich people pay their fair share of tax is in no way, shape or form comparable to racism.
  - b. That working people are struggling to make rent, pay the bills and deal with the evergrowing cost of living, yet billionaires continue to receive handouts from state and federal governments.
  - c. Meanwhile Australia’s billionaires have over \$111 billion of wealth between them and regularly pay little or no tax.
3. That this house calls on the NSW Government to tax the rich.
