Decisions/observations of (including Temporary Chairmen)—

SO 175—

Reversing the principle of a Bill—

Amendments ruled out of order on the grounds that they reverse the principle of the bill as read a second time—(PDp. 2482/83)

Leave of the Bill—

Given the narrow scope of the bill, as determined by its long title, the proposed amendments are beyond the scope of the bill—(PDp. 3018)

Relevance—

Amending a Money Bill—

Bills which impose any rate, tax or impost must originate in the Legislative Assembly, but they may be amended in the Legislative Council—(PDp. 6675/76 (Deputy))
