Chair's foreword

I am pleased to present this report on the Inquiry into Budget Estimates 2020-2021. This annual inquiry into the Budget Estimates ensures parliamentary oversight of the Budget, and provides an important mechanism for the accountability of the executive government to the Legislative Council.

Portfolio Committee No. 5 is responsible for the scrutiny of the following portfolio areas:

- Attorney General and Prevention of Domestic Violence
- Police and Emergency Services
- Counter Terrorism and Corrections
- Sport, Multiculturalism, Seniors and Veterans
- Families, Communities and Disability Services.

The key evidence gathering mechanism of this Inquiry is through the conduct of public hearings. This report lists the key issues raised during the hearings. Transcripts, tabled documents and additional answers provided after the hearings are published on the [Inquiry's webpage](#).

On behalf of the committee, I would like to thank the ministers and their officers who assisted the committee during this important inquiry. I am grateful to my fellow committee members and the secretariat staff for their contributions to the inquiry process.

Hon Robert Borsak MLC
Chair

Chapter 1 Introduction

The Inquiry into Budget Estimates is one of the key mechanisms for parliamentary committees to scrutinise government expenditure, performance and effectiveness. It holds ministers and government officials to account and provides a greater level of transparency to the public.

The Inquiry is conducted annually by the Legislative Council's Portfolio Committees. Each committee examines the budget estimates of its responsible portfolios, with ministers and senior public servants as the primary witnesses. The evidence taking process of the Inquiry consists of answers provided during public hearings and answers to post-hearing written questions (known as supplementary questions). There is no provision for written submissions.

Budget Estimates 2020-2021

- 1.1 The Inquiry into Budget Estimates 2020-2021 ('the Inquiry') was referred to the portfolio committees for inquiry and report on 11 November 2020 by the Legislative Council.³ The budget estimates resolution establishing the Inquiry, which sets out the rules for the Inquiry, is reproduced on pages iv and v.
- 1.2 The resolution authorised the committees to conduct one round of initial hearings, from 9.30 am to 8.30 pm, to examine all portfolios for each minister.⁴
- 1.3 In previous estimates inquiries, three rounds of hearings (initial, supplementary and further) were conducted and portfolios under the same minister were examined for six hours duration per hearing. Given the COVID-19 pandemic, hearings were delayed this year with no provision for supplementary or further hearings.
- 1.4 The budget estimates resolution stated that the committee could seek explanations from ministers, parliamentary secretaries or officers of departments, statutory bodies or corporations, relating to the items of proposed expenditure.⁵ Each committee was free to determine the time and allocation of questions for each hearing within the parameters set by the resolution.
- 1.5 Initial hearings were held over 12 days from 25 February to 26 February 2021, 1 March to 5 March 2021, and 8 March to 12 March 2021.⁶
