Re: Government response to Regulation Committee report

Dear Mr Reynolds,

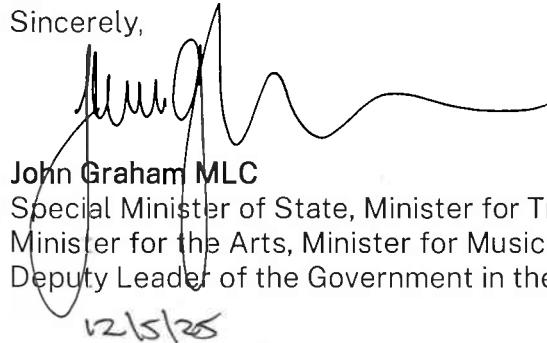

I refer to report no. 10 of the Regulation Committee (recently renamed the Delegated Legislation Committee) (**Committee**) entitled "Evaluation of the Regulation Committee's technical scrutiny function" (**Report**). The Report was tabled in the Legislative Council on Monday 10 February 2025.

The Government accepts recommendation 4 of the Report, that "the NSW Government, via the responsible minister or body, notify the [Committee] within five business days of an undertaking made to the Committee being implemented".

The Government notes that it can only implement the recommendation for officers and agencies subject to Ministerial direction and control.

It is proposed that the recommendation be implemented through the making of an administrative requirement, such as a Circular issued by The Cabinet Office.

Sincerely,

12/5/25

John Graham MLC

Special Minister of State, Minister for Transport,
Minister for the Arts, Minister for Music and the Night-time Economy,
Deputy Leader of the Government in the Legislative Council
