Please find enclosed three small corrections of the transcript of the Committee's hearing held in Newcastle on 8 August.

As to the Questions on Notice which appear on page 18 of the transcript, we are unable to provide the advice which was provided to the Newcastle City Council (NCC) by the council staff given it would be confidential to the NCC.

As to the second issue, please find enclosed the cover sheet of the Provisional Developer Agreement between and the Minister for Crown Lands, the King Edward Headland Trust, Annie Street Commercial and Stronach Property Pty Ltd.. As the document is over 180 pages it isn't practicable to include it in this correspondence. The document is held by Crown Lands, alternatively, we can email a copy should this be required.

Yours faithfully

Dr John Lewer
