The Hon Paul Green MLC

Chair

Legislative Council Select Committee on off-protocol prescribing of chemotherapy in NSW
Parliament House, Macquarie Street
SYDNEY NSW 2000

Dear Mr Green

I write regarding my appearance at the Legislative Council Select Committee's Inquiry into off-protocol prescribing of chemotherapy in NSW on Monday, 31 October 2016.

During my appearance, I incorrectly stated that I first became aware of the issue involving Dr Grygiel's prescription of chemotherapy in June 2015 when in actual fact it was August of the same year.

I provided a corrected proof to the Inquiry's Secretariat seeking to change the Hansard but have been advised they are unable to do so.

I now write to the Committee to advise them of my error and request that it be corrected in the transcript.

I would sincerely appreciate my correction being accepted and noted by the Committee.

Yours sincerely

Ms Gabrielle Prest
