Dear Lynne,

I have no corrections to the transcript.

Please see response to question taken on notice below.

**Mr DAVID SHOEBRIDGE:** Do you know what the final site size was once you excluded the number 34 and that row of Victorian terraces?

**Ms NEESON:** I cannot recall that area.

**Mr DAVID SHOEBRIDGE:** Would you give it to us on notice?

**Ms NEESON:** Yes, we can give that to you on notice.

**I have received advice from Cox Architecture that measuring off the cadastre plan, the site area is approximately 15,000 m<sup>2</sup>.**

kind regards  
Rachel
