To Portfolio Committee No. 3 – Education,

Supplementary Question for National Disability Services

Following the hearing on Monday 3 April 2017 regarding the Inquiry into students with disability or special needs in NSW Schools, please find our response to the supplementary question.

Where does your organisation receive its funding from?

NDS is a national organisation that receives its funding from a variety of sources including state and federal government(s) in a combination of core funding and for specific projects.

NDS also conducts Learning and Development courses and offers other business services and products.

NDS collects membership fees from its member organisations and affiliates.

Yours sincerely,

Jessica Lobo
