Hi Kate

Please see the attached marked up copy.

For purposes of clarification,

- P 2 – two changes marked up
- P 3 – two changes marked up
- P 3 – answer to question on notice. “We are not aware that RMS has an acceptable recycled content material list for road base. Any such question should be put to the Engineering Staff at the RMS.”
- P 6 – If we are required to provide more details on the Hexham Bridge accident, please let us know
- P 8 – if we are required to appear before the Inquiry again to discuss ‘rogue sites’ we would be happy to do so providing it was ‘in-confidence’
- P 10 – marked up change
- P 11 - if we are required to appear before the Inquiry again, to discuss any of the issues raised, we would be happy to do so providing it was ‘in-confidence’

Thanks & best regards,

Tony Khoury
