Mr David Blunt  
Clerk of the Parliaments  
Parliament House  
6 Macquarie Street  
SYDNEY NSW 2000

Dear Mr Blunt

I was a witness at the 2017-18 Budget Estimates Hearings into the Roads, Maritime and Freight portfolio.

I would like to correct one matter in the transcript regarding, Fixing Country Rail.

Page 12 of the transcript states, "Fixing Country Rail, in and of itself, is \$1.2 billion". The figure stated is incorrect. I request that the transcript be changed to reflect the actual project commitment of \$400 million. This figure is reflected in Table 3.2 on page 3-3 and on page 3-5 of the NSW Budget 2017-18, Budget Paper No. 2, Infrastructure Statement.

If you have any further queries regarding this, please contact Rachel Simpson, Principal Manager, Parliamentary Services on (02) 8202 3167.

Yours sincerely

**Tim Reardon**
