INQUIRY INTO THE WINDSOR BRIDGE REPLACEMENT PROJECT

FOR IMMEDIATE RELEASE

16 November 2017

An Upper House committee has commenced an inquiry into the Windsor Bridge replacement project. The committee is chaired by the Hon Robert Brown MLC of the Shooters, Fishers and Farmers Party and the committee includes representatives of the Liberal and National parties, the Australian Labor Party and the Greens.

Mr Brown said, 'The Windsor Bridge has considerable historical, economic, and social significance for the people of the Hawkesbury area and the wider Sydney region. This inquiry will examine the NSW Government's proposals to replace this important piece of infrastructure'.

Mr Brown continued, 'The committee will consider, among other things, the justification for the replacement of the bridge; the options presented to the community; and the economic, social, and heritage impacts of the proposal'.

The committee is currently accepting submissions and the closing date is 28 January 2018. Submissions should be lodged online on the committee's website at: www.parliament.nsw.gov.au/windsorbridge. The committee will hold public hearings in the new year.
