Dear Shaza,
Please find attached the corrected pages from the Inquiry into the music and arts economy in NSW.
Changes have been made on page 10, 11, 12 and 13.

I have also added the answer to the question how many police officers we had at this years festival and included a figure to compare from the year before.

2018: 153 officers

2017: 109 officers

Please let me know should you have further questions.

Best regards,
Nadja
