### **FOR IMMEDIATE RELEASE**

**16 November 2018**

An Upper House committee will be holding its third public hearing on Monday 19 November 2018 for the inquiry into the sustainability of the dairy industry in New South Wales.

The public hearing will be held in the Casuarina Room of Club Taree, 121 Wingham Road Taree NSW and will run from 9 am to 1 pm. The committee will hear from dairy farmers and local dairy industry collective bargaining groups.

The Chair of the Committee, the Hon Robert Brown MLC said, 'It is a tough time to be a dairy farmer in New South Wales. This committee wants to hear directly from farmers to understand what the NSW Government can do better to support this vital industry.'
