Dear Ms Ward

Inquiry into the adequacy and scope of special care offences

Thank you for the opportunity to consider and correct the transcript of the evidence that I gave to the Committee on Wednesday 27 June 2018. I would like to clarify one aspect of the evidence that I gave the Committee.

Page 34 of the transcript indicates that I said:

“That encompasses the possibility of the soccer coach, the out-of-home care kid who is minding the kindy kids and has a relation with the year 12 student....”

Rather than “out-of-home care kid” I meant to say “out of school hours carer”.

I have also made one typographical correction to the transcript on page 28.

Yours sincerely
