Public Accountability Committee
Legislative Council
Parliament House, Macquarie Street

Dear Chairman

I am writing with regard to the final report of the Public Accountability Committee inquiry regarding the Impact of the CBD and South East Light Rail Project.

The NSW Government is currently giving careful consideration to the recommendations made by the Committee, many of which require discussion across the government sector.

To allow a full, considered response to be prepared, the NSW Government will provide a response to recommendations within the standard timeframe for government responses.

Yours sincerely

The Hon Andrew Constance MP
Minister for Transport and Infrastructure
