

During 2017–18, the EPA inspected compliance of 21 forestry operations. The EPA issued FCNSW with:

- 22 advisory letters
- 3 formal warning letters
- 6 show cause letters
- 7 official cautions
- 1 clean up notice

Document tendered by <i>Mr Paul Gough</i>
Received by <i>Tina Mrozowska</i>
Date: <i>16 / 08 / 2018</i>
Resolved to publish <input checked="" type="radio"/> Yes / No

Each compliance action may relate to a number of breaches.

The EPA also commenced two prosecutions in the Land and Environment Court for impacts from logging in Glenbog and Badja State Forests. This resulted in a fine of \$8000 being imposed by the court for failing to comply with the IFOA in Glenbog State Forest. The court did not record a conviction for the alleged breach of the IFOA in Badja State Forest.
