

**– Questions on Notice to the NSW Government –
Building Inquiry – 16 August 2019 – Building Commissioner**

1. What is the delay with enacting the Building & Development Certifiers Act 2018?

The Department of Customer Service's Better Regulation Division is responsible for policy development and implementation related to the Act and has provided a response to the Committee on this question.

2. What resourcing does the Building Commissioner have and what is his workplan?

The Building Commissioner will be able to draw on capacity across Better Regulation Division, the Department of Customer Service, and where required the NSW Government more broadly. The Building Commissioner will announce his workplan as soon as possible.

3. What is the Building Commissioner recommendation for fixing flammable cladding?

The Building Commissioner has provided initial input on a potential strategy for defective buildings to the Minister for Better Regulation and Innovation for consideration.
