Dear Chair,

Correction/clarification of Budget Estimates hearing transcript

I write to advise of one correction that is required to evidence given by myself at the Budget Estimates hearing for Legislative Council Portfolio Committee No.4 – Industry, on 13 September 2019.

Amendment of the financial year stated to clarify answer given

The following statement that appears on page 87 requires a correction to the year that the program commenced:

Mr HANGER: *It commenced this year, 2019-20, just commenced.*

In the above, the financial year that the program commenced is incorrectly stated. The year should be replaced with "2018-19".

Please update the published transcript with the above amendments. If you need further information, please do not hesitate to contact me on

Yours sincerely,

Rebecca Fox
