Dear Mr Donnelly

I write to provide responses to questions asked at the Budget Estimates Supplementary Hearing into the Mental Health, Regional Youth and Women on 30 October 2019.

Please find attached:

- answers to questions taken on notice during the hearing
- edits to the hearing transcript.

I am also submitting the following corrections to advice given during the hearing.

1. Page 11, paragraph 9: Line 8 - Ms Koff: Replace '\$2.18 million in grant funding' with '*\$2.19 million in grant funding*'
2. Page 13, paragraph 5: Line 6 – Dr Chant: Delete '*which I chair.*'  
[Also then the Australian Health Ministers' Advisory Council, ~~which I chair~~, is the secretaries or directors-general from each of the States and Territories and the Commonwealth].

If you require any further information, please contact my Chief of Staff, Daniel Newlan, on

Yours sincerely
