Dear Madam Chair

I would like to clarify for the record evidence I provided during the Budget Estimates hearing on Monday 2 September 2019 for the portfolio committee No. 7 – Planning and Environment Local Government.

During the hearing I made reference to the annual amount the NSW Government provides the RSPCA.

I would like to clarify that the NSW Government provides \$424,000 per year and not \$1 million – as I had stated during the estimates hearing (found on pages 8 and 21 in the transcript).

My statement that \$11 million that the NSW Government provided to expand facilities at Yagoona RSPCA is accurate.

Yours sincerely

The Hon Shelley Hancock MP
Minister for Local Government
