

December 2 , 2019

The Hon Wes Fang MLC

NSW Legislative Council

Standing Committee on Law and Justice

Dear the Hon. Mr Wes Fang

Answers to Supplementary Questions

On behalf of AESAG, I am pleased to provide the answers to the Supplementary Questions send to AESAG on November 22, 2019, as follows:

1. Number of fabricators AESAG supplies in NSW
391 fabricators on the database of AESAG (thru Greencap). 256 of these supplied by Caesarstone. Both Caesarstone's fabricators list and AESAG is attached.
2. Number of fabricators AESAG supplies in NSW, by postcode
Attached for AESAG and Caesarstone.
3. If AESAG aware how many employees each fabricator has?
AESAG does not have this information. Once the accreditation process is completed Greencap may have this data.

Information could be gathered from the Safework NSW , which was inspecting the fabricators.

4. If AESAG aware how many contractors each fabricator has?

AESAG does not have this information. Once the accreditation process is completed Greencap may have this data.

Information could be gathered from the Safework NSW which was inspecting the fabricators.

Yours Sincerely,

David Cullen

AESAG
